1. A school employee causes a student to believe that he or she must submit to unwelcome sexual conduct in order to participate in a school program or activity, or when an employee or third party agent of the District causes a student to believe that the employee will make an educational decision based on whether or not the student submits to unwelcome sexual conduct; or
2. When the unwelcome sexual conduct of a school employee or classmate is so severe, persistent or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, or abusive educational environment.

Examples of conduct which may constitute sexual harassment include:

REPORTING PROCEDURES

Any student who believes he or she has been the victim of sexual harassment or harassment based on race, color, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation by a student, teacher, administrator, or other school personnel of the School District, or by any other person who is participating in, observing, or otherwise engaged in activities, including sporting events and other extracurricular activities, under the auspices of the School

District, is encouraged to immediately report the alleged acts to an appropriate District official designated by this Regulation.

Any teacher, administrator, or other school official who has or receives notice that a student has or may have been the victim of sexual harassment or harassment based on race, color, sex, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation by a student, teacher, administrator, or other school personnel of the District, or by any other person who is participating in, observing, or otherwise engaged in activities, including sporting events and other extracurricular activities, under the auspices of the District, is required to immediately report the alleged acts to an appropriate District official designated by this Regulation.

Any other person with knowledge or belief that a student has or may have been the victim of unlawful discrimination, sexual harassment or harassment based on race, color, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation as set forth above, is encouraged to immediately report the alleged acts to an appropriate District official designated by this Regulation.

The School District encourages the reporting party or complainant to use the report form available from the principal of each building or available from the School District office, but oral reports shall be considered complaints as well. Use of formal reporting forms is not mandated. Nothing in this Regulation shall prevent any person from reporting harassment directly to the Compliance Officer or to the Superintendent. The District will respond to male and female students' complaints of discrimination and harassment promptly, appropriately, and with the same degree of seriousness.

1. In each school building, the building principal is the person responsible for receiving oral or written reports of discrimination, sexual harassment, or harassment based on race, color, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation at the building level. Any adult School District personnel who receives a report of discrimination, sexual harassment, or harassment based on race, color, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation shall inform the building principal immediately.

Upon receipt of a report, the principal must notify the District Compliance Officer immediately, without screening or investigating the report. The principal may request but may not insist upon a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the principal to the Compliance Officer. If the report was given verbally, the principal shall personally reduce it to written form within twenty-four (24) hours and forward it to the Compliance Officer. Failure to forward any harassment report or complaint as provided herein will result in disciplinary action against the principal.

If the complaint involves the building principal, the complaint shall be made or filed directly with the Superintendent or the School District Compliance Officer by the reporting party or the complainant.

2. The School Board has designated _____ as the District Compliance Officer with responsibility to identify, prevent, and remedy unlawful discrimination and harassment. The District Compliance Officer shall:

- receive reports or complaints of unlawful discrimination, sexual harassment, or harassment based on race, color, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation;
- oversee the investigative process;
- be responsible for assessing the training needs of the District's staff and students in connection with the dissemination, comprehension, and compliance with this Regulation;
- arrange for necessary training required for compliance with this Regulation; and
- insure that any investigation is conducted by an impartial investigator who has been trained in the requirements of equal educational opportunity, including harassment, and who is able to apply procedural and substantive standards which are necessary and applicable to identify unlawful harassment, recommend appropriate discipline and remedies when harassment is found, and take other appropriate action to rectify the damaging effects of any prohibited discrimination, including interim protection of the victim during the course of the investigation.

If any complaint involves a Compliance Officer, the complaint shall be filed directly with the Superintendent.

The District shall conspicuously post a notice against unlawful discrimination and harassment in each school in a place accessible to students, faculty, administrators, employees, parents, and members of the public. This notice shall include the name, mailing address, and telephone number of the Compliance Officer; the name, mailing address, and telephone number of the Missouri Commission for Human Rights, the state agency responsible for investigating allegations of discrimination in educational opportunities; and the mailing address and telephone number of the United States Department of Education, Office for Civil Rights, and the United States Department of Justice.

3. A copy of Policy 2130 shall appear in the student handbook, and this Regulation shall be made available upon request of parents, students, and other interested parties.
4. The School Board will develop a method of discussing this Regulation with students and employees. Training on the requirements of nondiscrimination and the appropriate responses to issues of harassment will be provided to all school personnel on an annual basis, and at such other times as the Board in consultation with the District Compliance Officer determines is necessary or appropriate.
5. This Regulation shall be reviewed at least annually for compliance with state and federal law.
6. The District will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses as much as possible, consistent with the District's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

INVESTIGATION

Upon receipt of a report or complaint alleging unlawful discrimination, sexual harassment, or harassment based upon race, color, sex, national origin, ethnicity, disability, sexual orientation, or perceived sexual orientation, the Compliance Officer shall immediately undertake or authorize an investigation. That investigation may be conducted by District officials or by a third party designated by the District.

The investigation may consist of personal interviews with the complainant, the individual against whom the complaint is filed, and others who have knowledge of the alleged incident or circumstances giving rise to the complaint. The investigation may also consist of the evaluation of any other information or documents, which may be relevant to the particular allegations.

In determining whether the alleged conduct constitutes a violation of this Regulation, the District shall consider:

- the nature of the behavior;
- how often the conduct occurred;
- whether there were past incidents or past continuing patterns of behavior;
- the relationship between the parties involved;

- the race, national origin, ethnicity, sex, and age of the victim;
- the identity of the perpetrator, including whether the perpetrator was in a position of power over the student allegedly subjected to harassment;
- the number of alleged harassers;
- the age of the alleged harassers;
- where the harassment occurred;
- whether there have been other incidents in the school involving the same or other students;
- whether the conduct adversely affected the student's education or educational environment;
- the context in which the alleged incidents occurred.

Whether a particular action or incident constitutes a violation of this Regulation requires a determination based on all the facts surrounding the circumstances.

The investigation shall be completed no later than fourteen (14) days from receipt of the report. The District Compliance Officer shall make a written report to the Superintendent upon completion of the investigation. If the complaint involves the Superintendent, the report may be filed directly with the School Board. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this Regulation. The Compliance Officer's obligation to conduct this investigation shall not be extinguished by the fact that a criminal investigation involving the same or similar allegations is also pending or has been concluded.

SCHOOL DISTRICT RESPONSE

1. Upon receipt of a report that a violation has occurred, the District will take prompt, appropriate formal or informal action to address, and where appropriate, remediate the violation. Appropriate actions may include, but are not limited to, counseling, awareness training, parent-teacher conferences, warning, suspension, exclusion, expulsion, transfer, remediation, or discharge. District action taken for violation of this Regulation shall be consistent with the requirements of applicable collective bargaining agreements, state and federal law, and District policies for violations of a similar nature of similar degree of severity. In determining what is an appropriate response to a finding that harassment in violation of this Regulation has occurred, the District shall consider:

- what response is most likely to end any ongoing harassment;
- whether a particular response is likely to deter similar future conduct by the harasser or others;
- the amount and kind of harm suffered by the victim of the harassment;
- the identity of the party who engaged in the harassing conduct.
- whether the harassment was engaged in by school personnel, and if so, the District will also consider how it can best remediate the effects of the harassment.

In the event that the evidence suggests that the harassment at issue is also a crime in violation of a Missouri criminal statute, the Board shall also direct the District Compliance Officer to report the results of the investigation to the appropriate law enforcement agency charged with responsibility for handling such crimes.

2. The results of the District's investigation of each complaint filed under these procedures will be reported in writing to the complainant and other parties by the District in accordance with state and federal laws regarding data or records privacy, and consistent with the privacy rights of the alleged harasser.
3. If the District's evaluation of a complaint of harassment results in a conclusion that an individual has engaged in unlawful discrimination or harassment in violation of this Regulation, or that school personnel have failed to report harassment as required herein, that individual may appeal this determination by use of established School Board procedures for appealing other adverse personnel and/or education-related actions. If the District's evaluation of a complaint of harassment results in a conclusion that no unlawful harassment has occurred, an individual who was allegedly subjected to harassment and believes that this conclusion is erroneous may appeal this determination by use of established School Board procedures for appealing other adverse personnel and/or education-related actions. An individual who was allegedly subjected to unlawful discrimination or harassment may also file a complaint with the Missouri Commission for Human Rights, the United States Department of Education, Office for Civil Rights, or the United States Department of Justice. In addition, such individual may choose to file suit in the United States District Court or the State Circuit Court.
4. Copies of all complaints of harassment and the investigations conducted pursuant to them shall be maintained at the main administrative offices of the School District.

RETALIATION

Submission of a good faith complaint or report of unlawful discrimination, sexual harassment, or harassment based upon race, color, disability, national origin, ethnicity, or sexual orientation will not affect the complainant or reporter's future employment, grades, learning, or working environment, or work assignments.

The School District will discipline or take appropriate action against any student, teacher, administrator, or other school personnel who retaliates against any person who reports an incident of alleged sexual, racial, ethnic, sexual orientation discrimination, disability-related harassment or violence, or any person who testifies, assists, or participates in a proceeding, investigation, or hearing relating to such harassment or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.
