

## **BOBCATS ENTER STATE RANKINGS**

The Braymer High School boys' basketball team began the month of February by moving into the AP Sportswriters and Sportscasters Class 1 Missouri Basketball Rankings. The Bobcats debut at #10 with a record of 14-3. They join area schools Meadville (#2) and Glasgow (#7).

Braymer also moves up two spots in the MAXPREPS poll to #7.

Braymer's three losses on the season come at the hands of three ranked opponents. In addition to Meadville and Glasgow, the Bobcats fell to Class 2 Mid-Buchanan, currently ranked #5 in the AP poll.

Braymer must face Meadville again, along with Tina-Avalon and undefeated Class 2 Wellington (ranked #2 in the state) before district seedings occur. Other opponents on the Bobcat schedule include Norborne, Southwest and Hardin-Central.
