

## **LADY BOBCATS FALL TO NORTH PLATTE**

The Braymer Lady Bobcats hosted North Platte Tuesday night and saw their three game winning streak come to a close. A combination of ice-cold shooting and a very good quality opponent proved to be more than the Braymer girls could overcome.

Braymer fell behind early in the game when they simply could not get a shot to fall. The score after one frame was 18-2 and that 16 point difference was just too large for the home team to make up. North Platte outscored them in the 2nd quarter by a margin of 5-1 to make the halftime score 23-3.

The Lady Panthers added 1 point to their lead in the 3rd quarter, taking a 29-8 margin into the final eight minutes. Braymer's 10 points in the 4th were more than they had scored all night, but they could not pull any closer to North Platte and ended the night on the short end of a 44-18 score.

For the game, the Lady Bobcats were led in scoring by Leigh Anne Jordan and Jacie O'Dell with 6 points each. Molly Foley had 4 points and Carlie Adams added 2.
