

BRAYMER FALLS TO POLO

The Lady Panthers of Polo brought their uptempo game into the Braymer gym Friday night and wore down the Lady Bobcats on their way to a 50-35 win. With only seven players on the roster, Braymer was simply unable to keep up with the pace set by the visiting squad.

Polo substituted early and often and led 14-9 after the 1st quarter. The Lady Bobcats continued to hustle and play hard in the second quarter but still went into halftime on the short side of a 29-18 score. The third quarter proved to be the deciding period as Braymer's girls began to wear down against the fresher Polo players. The Lady Panthers extended their lead to 43-27. The 4th quarter saw Keely DeBolt and Molly Foley foul out of the game and Braymer ended the contest with their only 5 remaining players on the court.

The Lady Bobcats were led in scoring by Carlie Adams with 13 points followed by Molly Foley with 10. Leigh Anne Jordan supplied 8 points while Jacie O'Dell and Courtney Taylor each added a pair.

Carlie Adams played a great floor game. In addition to her ball handling duties she led the Braymer squad in steals and assists.

The Lady Bobcats will be playing in the Meadville Tournament next week beginning with a game against the #1 seeded host Meadville.
