TESTING OF STUDENTS

Testing of students from Non-public schools.

Students who enter Braymer C-4 School from a non-certified parochial or home study situation shall be tested (or caused to be tested) by the principal of the building the student is entering to determine grade level entrance at Braymer C-4 School. This test shall be a grade level achievement test, and or other test as deemed necessary by the administration.

Students wishing to graduate from Braymer C-4 who have been in a home teaching program, shall be administered an achievement test which shall determine the grade level appropriate for graduation from Braymer C-4 School.

STATEWIDE ASSESSMENTS

The testing schedule will list the assessment instrument to be administered and the students who will be administered each test or assessment instrument. This policy and the assessment schedule will be given to each student as well as their parent/guardian at the beginning of each school year.
