5. **Juniors** - The University of Missouri School of Medicine offers an exciting and informative summer experience for high school students interested in a career in medicine. MU's High School Mini Medical School is a one-week program that gives students a preview of life as an MU medical student. The program includes: hands-on experience in anatomy, microbiology, and clinical skills; introduction to MU's innovative problem-based-learning curriculum; and seminars on college and medical school entrance and medical school life. Mini medical school is intended for students who will begin their senior year in the fall of 2011. See Mrs. O'Dell if you are interested in this great opportunity!
6. **Seniors** - Please remember to check the Scholarship File Box in Mrs. O'Dell's office DAILY (it is on the table in her office). Each senior has a file folder in the box and scholarships, as they become available, will be copied and placed in each file. It is your responsibility to check your file folder for scholarships and scholarship information. There will be several scholarships available in March and April. Please be sure to read each scholarship carefully, especially the eligibility criteria. If you do not meet the criteria do not fill the application out. DO NOT wait until the last minute!!!!!!! If you have any questions, please let me know. Mrs. O'Dell
