RE: Scholarship Opportunity for 2019 Graduating Seniors

Dear Local High School Counselor,

For the past several years, Caldwell County Mutual Insurance Company in Kingston, MO has offered scholarship opportunities to area seniors. We have decided to communicate this opportunity through the local counselors at each school and rely on you to pass it along to the students.

- **Eligibility:**
  Seniors who plan to attend a secondary or trade school AND whose parent/guardian are policyholder's of Caldwell County Mutual Insurance Company.

- **Exclusions:**
  Immediate (siblings, children) family members of the company's directors, agents or employees.

- **Scholarships:**
  We will grant up to 10 scholarships for $500.00 each

- **How To Apply:**
  The general application for your school is fine; however you MUST also include the parent/guardian name/s AND the active policy number with Caldwell County Mutual Insurance Company. This additional information can be simply be handwritten on the front page.

- **Deadline:**
  Applications must be submitted to our office no later than April 12th. Late applications will not be accepted. The board will meet on April 17th to decide who will be granted the scholarships. Counselors will be notified as soon as possible thereafter.

- **Verification of Enrollment required before funds dispersed:**
  Our board of directors would like proof of enrollment in a secondary or trade school of the student's choice. Once this proof is received, a check will then be issued payable to the student named in the scholarship. This will still allow them to use scholarship money for books or other school related expenses that aren't tuition paid directly to the school.

We cannot accept all the general applications from your school and search our database due to the problems this can cause if one is missed. If you have any questions, please contact me at (816) 586-3531. Our office hours are 9am to 4pm, Monday-Friday.

Sincerely,

Gina K. Peoples
