Dear Parents:

Braymer C-4 will offer a summer school program again this year for all interested K-7th grade students. For summer school purposes, a student's grade level will be their next grade level assignment for the 23-24 school year. Students in preschool now and who will be 5 before August 1 may attend summer school with a kindergarten status.

We will **NOT** be using the Summer Journey program this year. This means that students will not be eligible to receive the attendance incentive that had been offered through the Summer Journey program, but we will still be offering great incentives throughout the summer program. Transportation will continue to be provided on a modified route.

This summer school program will run on a 4-day week schedule (closed on Mondays) and will run for three weeks starting on May 23rd. Students will be in session beginning Tuesday, May 23 and end on Friday, June 9 and will go from 7:30-2:00 pm daily. Breakfast and lunch will be provided to all participants without charge, including students 18 and younger who will not be participating in summer school. Breakfast will be served between 7:30 a.m. and 7:55 a.m. Lunch will be served from 11:00 a.m. to 11:30 a.m.

The summer school program will include a wide variety of enrichment, remediation, and recreational activities in all core areas. Activities for enrichment may include: outdoor science education activities, computer instruction and applications, and arts and crafts. Attendance on activity trip days only is strongly discouraged. The district employs the staff needed for all enrollees, and therefore expects those enrolled to attend fulltime. It is the goal of this program to provide a wide variety of hands-on learning opportunities in a non-traditional environment. We do hope that your child/children will join us for this spectacular summer experience.

Sincerely,

Lyndsey Hall
Elementary Principal

Days In Session (not in session on Mondays)

Tuesday, May 23

Wednesday, May 24

Thursday, May 25

Friday, May 26

Tuesday, May 30

Wednesday, May 31

Thursday, June 1

Friday, June 2

Tuesday, June 5

Wednesday, June 6

Thursday, June 7

Friday, June 8

Please complete the following enrollment form and return to school by April 14.

Parent Name: _____

Address: _____
